Subject: RE: EtO responses to comments

i already did it and sent it to you (see my previous reply), but if you want to mark that up further, feel free.

Importance: High

actually, hold off on making comments on that version and i'll send you a new version with some changes to address your concerns in that first paragraph. thanks!

Subject: RE: EtO responses to comments

Thank you. I will work on those. How do you want to go about version control – when are you planning to work on this file again?

Subject: EtO responses to comments

hi, Leonid. here are the draft responses to SAB comments on the quantitative parts of the assessment. there is some placeholder stuff at the end for other comments and responses, but you only have to print up to page 25. thanks. jj
